JOY-CE'S STAR Corn and Cob Mill!

IMPROVED & SECURED AUG., 1856

Crushing and other Arrangements. Crushing and other Arrangements.
THIS is one of the most valuable inventions for the Iron Master, the Farmer, and the Stock Feeder. Its motive power, is a Horse, and will grind ten bushels per hour. This Machine is more simple in its structure, and less liable to derangement than the "Little Giant." It has received the highest Fremiums at several State and County Pairs. It will also grind Shelled Corn into fine Honniny, with a great degree of convenience to the Farmer. It weighs from three to four hundred pounds, according to size, and can be put into operation without expense or mechanical aid, in afteen minutes. Whoever has much feeding to do will save the price of the Mill every winter, by the increase of nutriment contained in the ground Corn and Cob. Farmers and others interested in Stock Feeding, are invited to call at my Store, No. 22 Union Hail, Second street, fronton, Ohio, and examine this Mill. I am the sole vendor of said Mill for this region of country, and can furnish them on the lowest terms.
